SUMMARY

Software Developer with 2 years of expertise in designing and deploying innovative web applications across a diverse tech stack. Proficient in building responsive user interfaces, creating robust APIs, and collaborating effectively within cross-functional teams. Eager to join a forward-thinking organization where I can expand my knowledge and gain practical exposure, contributing to both organizational and personal growth.

EXPERIENCE

Senior Analyst

Capgemini

📅 08/2022 - Present 📍 Pune, MH

- Gained hands-on experience in front-end development, contributing to the design and implementation of user interfaces.
- Implemented responsive design principles, ensuring compatibility across various devices and browsers.
- Developed and maintained dynamic single-page applications (SPAs) using Angular JS, meeting project timelines and client requirements.
- Collaborated with senior developers to optimize code performance and improve application responsiveness.
- Implemented user authentication and authorization features, enhancing application security.
- Integrated RESTful APIs to fetch and display data, ensuring a seamless user experience.

Software Intern

Digiklug Solutions

📅 01/2022 - 06/2022 📍 Mumbai, MH

- Developed End-to-End Solutions: Worked on the design and development of full-stack web applications, contributing to both frontend and backend development using technologies such as React.js, Node.js, and Express.js.
- Implemented responsive and dynamic user interfaces using HTML5, CSS3, and JavaScript frameworks i.e. React.js, Angular.js.
- Implemented database interactions and data modeling using technologies such as MongoDB.
- Led seamless integration of major payment gateways i.e. Stripe, into applications, ensuring secure and efficient transactions.

EDUCATION

B.Tech in Electronics Engineering

Sardar Patel Institute of Technology

📅 08/2018 - 06/2022 📍 Mumbai, MH

CGPA

7.87 / 10

Higher Secondary Certificate (HSC)

Nandanvan Art's Commerce and Science Jr. College

📅 08/2017 - 05/2018 📍 Nagpur, MH

Percentage

70.46 / 100

Secondary School Certificate (SSC)

Jaycee's Convent

📅 08/2015 - 04/2016 📍 Bhandara, MH

Percentage

89.60 / 100

SKILLS

Client-side

HTML

PROJECTS

Chatverse

📅 12/2024 - 01/2025

Chatverse is a MERN-based real-time chat application that ensures instant communication through robust WebSocket integration, secure messaging, and a dynamic user interface.

Gemini AI Chatbot

📅 10/2024 - 11/2024

Developed a Gemini AI API Integration Project with a seamless React.js frontend and a Node.js backend that processes user-provided text and image inputs to generate AI-driven insights.

Forever Clone

📅 07/2024 - 09/2024

An e-commerce application offering a complete shopping experience, including product browsing, cart management, and secure payment processing. The admin dashboard includes features for managing orders and products.

CERTIFICATION

Meta Front-End Developer Professional Certificate

Introduction to Front-end Development with ReactJS

Angular: Getting Started (by Deborah Kurata)

Angular 11 Fundamentals (by Jim Cooper and Joe Eames)
